

SCHOOL DEVELOPMENT PLAN 2021-2022

The School Improvement Plan (SIP) builds directly from the findings of school self-evaluation. The plan addresses the findings, these relate to the main elements that influence overall effectiveness.

Priority 1 To maximise the Catch up Funding to ensure it is used effectively for those identified children

Priority 2 To strengthen and develop mode Teacher + Parent interactive session.

Priority 3 To develop, implement and monitor strategies to raise attainment in writing & public speaking.

Priority 4 To secure and develop remote learning in school using Google Classroom. This will include building on our existing offer and developing consistency across classes, ensuring that children receive teaching and learning to ensure progress. And ensure all students may avail to Online Learning.
